SUPPLEMENTARY INFORMATION: The Public Health Service (PHS) Policy on Humane Care and Use of Laboratory Animals requires PHS awardee institutions to maintain a properly

constituted Institutional Animal Care and Use Committee (IACUC), which, as an agent of the institution, is authorized to oversee the institution's animal care and use program, including review of protocols. In accord with IV.A.3.b.(4) of the PHS Policy, at least one of the members of the IACUC must not be affiliated with the institution in any way, other than as a member of the IACUC. With the PHS Policy in place for more than 10 years, OPRR is interested in examining the role of the nonaffiliated member, who is generally thought to provide a different perspective than those who have an affiliation and the institution. This meeting will allow an opportunity for OPRR to hear some of those perspectives directly, and to engage in discussions with nonaffiliated members about their various experiences on IACUCs. OPRR have invited participation in this meeting of nonaffiliated members form a random cross-section of institutions that currently hold Assurances of compliance with PHS Policy.

Fiscal Year 1997 Notice of Funding Availability for Continuum of Care Homeless Assistance; Supportive Housing Program (SHP); Shelter Plus Care (S+C); Sec. 8 Moderate Rehabilitation Single Room Occupancy Program for Homeless Individuals (SRO)

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice of funding availability (NOFA); Notice of Revision and Extension of Deadline.

SUMMARY: On April 8, 1997 (62 FR 17024), HUD published a notice announcing the availability of fiscal year (FY) 1997 funding for three of its programs that assist communities in combating homelessness. The three programs are: (1) Supportive Housing; (2) Shelter Plus Care; and (3) Section 8 Moderate Rehabilitation for Single Room Occupancy Dwellings for Homeless Individuals. Since the issuance of the April 8, 1997 NOFA, HUD has realized that the NOFA's limitations placed on the level of refunding for existing projects are too inflexible. HUD's policy is to allow communities as much flexibility as possible in the preparation of their Continuum of Care System and the size and selection of projects. Therefore, this notice announces that the April 8, 1997 NOFA is revised to allow communities to request full funding for eligible renewal activities when proposing renewal of existing projects. This notice also extends the application deadline to August 18, 1997.

Before and on the deadline date, and during normal business hours (up to 6:00 p.m.) completed applications will be accepted at the Office of Special Needs Assistance Programs (Room 7270) in Washington at the address below.
